Delaware Cadillac '08—No Sophomore Slump!

Once more, Ronnie Hux and the fine folks at Delaware Cadillac are fired up to play “can you top this?” with respect to last year’s inaugural show, and it’s safe to say that you can bet they will. The publicity blitz will reach out to their client base, and the entire Wilmington metropolitan area. That includes both direct mailings and e-mails, with the opportunity to register on line for door prizes. The *Wilmington News-Journal* will carry advertising for the show, as was the case last year.

Since this is the 50th anniversary of the Cadillac/LaSalle Club, the theme for this year’s show will be “Cadillac: Take it from the Top”, and will feature those cars from the days when the club was new. That’s right: if you have one of those big tailfin Cadillacs, we **ESPECIALLY** want you and your car! The showroom will be set up to feature cars of the late Eisenhower era—and as part of the plan, Delaware Cadillac will reach out to clients who own cars from this era and extend a special invitation to participate: that means more cars and potentially some new members.

Going hand in hand with this opening of the show field to potential new members, the Valley Forge Region takes this opportunity to invite—nay, *exhort*—members from our neighboring regions to make it a day in Delaware. Come on to Wilmington, you folks from the Raritan, Upper Susquehanna, Potomac, and Long Island regions: it’s an easy drive on I-95 to take part in a show in a unique city setting. Heck, make a weekend of it and take in the attractions around Wilmington like the Hagley Museum, Winterthur, and Longwood Gardens! You’ll be glad you did—and thanks in advance.

*An invitation to all members of the Cadillac-LaSalle Club,
Valley Forge Region*
