

***“An Evening in Black and White”***

Friday, September 5, 2008

4:30 PM – 10:00 PM

Howard County General Hospital

Columbia, Maryland

---

We are looking for a few “classy chassis” to help add some atmosphere to a very special event for our community. On **Friday, September 5, 2008**, the Howard Hospital Foundation will be hosting, “*An Evening in Black and White*”. This sophisticated upscale cocktail party (art-deco black and white theme) will be held on the rooftop of the newly completed employee-parking garage at Howard County General Hospital, located off of Little Patuxent Parkway in Columbia, Maryland. This ticketed event will benefit the Howard County General Hospital Campus Development Project.

We are only looking for a commitment of your beautiful vehicle for a few hours, to be displayed in a strategic place of honor among the other set pieces and tables, to create the mood for the evening. The event runs from **6:00 p.m. – 9:00 p.m.** We would need the vehicles to arrive and be placed by **4:30 p.m.**, with departures anytime after **9:30 p.m.** All vehicles will need to be off the parking lot by **10:00 p.m.**

The display vehicles will be roped-off, guarded by event staff and will feature unique signage listing the year, make, model and your name or business name (as you wish). All participants will receive a nice Thank-you gift as a token of the Foundation’s appreciation. Our goal is to display a sampling of the community’s finest vintage vehicles.

We are in need of classic cars: Ford Model T’s or Model A’s, Chevrolets, Dodges, Packard’s, Plymouths, Hudson’s, Franklins, Studebakers, Nash’s – we’d love to see a beautiful Rolls Royce, Stutz Bearcat, a Cadillac, a Star or a Carter - really anything from the 1920’s, 1930’s or 1940’s. Think the Great Gatsby or the Jazz Age! We need traditional appearance vehicles – no street rods or custom paint jobs, please.

While this event is not a “car show” – it is a community car “show-off” opportunity!

The event’s prestigious guest list will include County Officials, US Senators, Members of the Medical Community, Board Members and Prospective Donors and Patrons. These individuals will aid the Howard Hospital Foundation with its fundraising initiatives, vital to the advancement of our local Hospital and improved medical services for our entire community.

Can you help us with our quest?
