

A CELEBRATION OF  
AUTOMOTIVE HERITAGE & CULTURE

ON THE NATIONAL MALL  
**MAY 3rd & 4th 2014**  
Washington D.C.

Recognizing the 50<sup>th</sup> Anniversary of the Meyers Manx

Join us for this spectacular *free event on the National Mall*  
**Join us in the large white tent on the Mall for  
cars & coffee from 6:30am – 9:30am on Saturday**

**Plus a *two-day schedule* of heritage documentation, speakers  
and a spectacular display including the original Meyers Manx  
dune buggy and the next 10 automotive treasures to be included  
in the National Historic Vehicle Register.**

There will be plenty of **free parking** along both Jefferson and Madison  
Drives. **Get there early and bring your car!**

**Brought to you by the Historic Vehicle Association**

**We are looking for volunteers!** If you'd like to be a part of this  
inaugural event please contact Candida Romanelli at  
[Candida@RomanelliEventServices.com](mailto:Candida@RomanelliEventServices.com).

**FEATURE AUTOMOBILE** documented and unveiled for the National Historic Engineering Record (HAER) & National Historic Vehicle Register

**250,000 >**

copies have been produced worldwide making it the most replicated vehicle ever. The Shelby Cobra estimate is 40,000.

### **1964 Meyers Manx - "Old Red"**

the original, world's first ever, fiberglass dune buggy created by California artist, sailor, surfer and engineer Bruce Meyers. More than 5,000 were produced. In 2014, "Old Red" will be 50 years old, Bruce Meyers will be 88.
