

## About The Greenbrier Concours d'Elegance

The Greenbrier Concours d'Elegance made its debut in 2018, honoring the rich automotive tradition at The Greenbrier resort with a weekend filled with events for car enthusiasts across the nation. The inaugural Greenbrier Concours d'Elegance was one that will long be remembered, as a premier automotive experience finally came to the premier luxury destination, America's Resort. The backdrop of The Greenbrier's iconic Front Entrance created beautiful visuals in a setting unlike any the Concours world has seen.

The Greenbrier Concours d'Elegance returns for its second year, May 3-5, 2019, and organizers are already working to make sure this year's Concours weekend builds and improves on that strong foundation. This year, we will honor Rolls-Royce and Bentley with a featured class, as Bentley celebrates its 100th anniversary. Make your plans now to be part of the Concours that will be the talk of the automotive community for years to come.
