The August events did not disappoint. In this issue, read about Richard Sisson's newly re-acquired 1953 Buick Skylark that won the Best of Show Stock Award at the All-GM Show in Ashburn, VA. In addition, see pictures from the Annual Picnic that occurred a week later at my home. Then to round off the month, find out who won awards and see pictures of some of the cars at the Third Annual CLC Northeast Inter-Regional Meet in Hershey, PA.

Before we roll into October for the annual trek to Carlisle and Hershey, consider attending another local favorite event, the [47th Edgar Rohr Memorial Car Meet](#) hosted by the AACA Bull Run Region on Saturday, September 16 from 8:00 am-3:00 pm. Please note the new location this year: the Manasseh Lodge in Manassas, VA.

As mentioned in the past couple of months, we are encouraging everyone who plans to attend the 2024 Grand National in Gettysburg, PA to book their hotel rooms as soon as possible. Rooms are filling up fast at the host hotel and show site, Wyndham Gettysburg (pictured right), at the CLC rate of \$149/night. That rate is good from Sunday, June 9 through Monday, June 17. [Reserve your room online](#) or call 717-339-0020.

The adjacent Courtyard by Marriott (pictured right) also has rooms now at the CLC rate of \$149/night for the same days that are filling up fast. [Reserve your room online](#) or call 717-334-5600. Maximum of two rooms per member at either hotel. In addition, Grand National volunteers are needed. If anyone is interested, please contact Dave Rubin, VP National Activities, at 914-980-6776 or david@davidbrubin.com.

Friday, September 1 is **Pink Cadillac Day!** Read more about it in the [September 2022](#) newsletter.

IN MEMORIAM: STEVE NEWBY BY THE NEWBY FAMILY AND VINCE TALIANO

Former CLC member Steve Newby of North Potomac, MD passed away on August 23, 2023, at age 76. Born in Inglewood, CA, he moved to Kensington, MD in the late 1940s and remained a lifelong resident of the greater Washington area. He found his passion early in life, buying his first share of stock when he was 11 years old. Later, he would work as a research analyst at several boutique investment firms before founding his own brokerage firm, Newby & Company in 1990. He earned numerous professional accolades over the years including becoming a four-time USA Today National Stock Picking Champion which also catapulted a career of charitable giving.

Steve was an ardent believer in investing in the next generation of leaders and underprivileged youth. He made donations to several educational organizations including Project Excellence and the Archbishop Carroll High School in Washington, DC. He would go on to establish the Jim Vance Media Program and accompanying scholarships at that school. Outside of his professional and philanthropic endeavors, Steve enjoyed horse racing, classic cars, country music, walking his dogs along the C&O Canal, spending time at the Chesapeake Bay and Turks and Caicos Islands, and meeting up with his longtime high school buddies nearly every Friday night.

Over the years, he attended CLC events with his 1940 Series 60 Special (pictured above left), including the 2019 Spring Car Show at Capitol Cadillac where it won the Ladies' Choice Award, and 1941 Series 62 Convertible Coupe (pictured left) that he also drove in past National Memorial Day Parades, transporting WWII veterans.

He is predeceased by his parents Clinton Toms Newby and Billye Trowbridge Newby of Bethesda, MD and his wife of 47 years Barbara Baldwin Newby of North Potomac, MD. He is survived by his brother Clinton Newby Jr and his four children and spouses, Suzanne Newby-Estes (Deron) of Amherst, MA, Franklin Newby (Bridget) of Bethesda, MD, Patricia Roome (Christopher) of Bethesda, MD and Andrews Newby (Laura) of Granite Bay, CA. He is also survived by his 12 grandchildren: Jackson, Henry, Ryan, Zadie, Matthew, Jones, Declan, Daniel, Isabel, Grayson, Mary and Sam. He was deeply proud of each one.

AUGUST 21, 2023 MEETING MINUTES **BY VINCE TALIANO**

PLACE: Silver Diner, Merrifield, VA

TIME: 7:55 p.m.

PRESIDING: Chuck Piel, Assistant Region Director

ATTENDEES: Fifteen attendees, including three officers: Franklin Gage (Membership Director), Chuck Piel (Assistant Region Director), Vince Taliano (Secretary, Newsletter Editor and Website Manager), Randy & Susan Denchfield, Jack & Cher Gallagher, Lynn Gardner, Jeff Gurski, Greg Huver, Dan Mullane, Charles Rumrill, Scott Patton, Harry Scott and Morgan Yeh

DIRECTOR'S REMARKS: Chuck thanked everyone for attending. He also thanked Nikki Thompson, the daughter of the late Vicky Barruzza, who donated the proceeds from the sale of spare ambulance parts by Franklin Gage at a recent meet in Morgantown, PA, and Bud Coleman, who donated items for the next automobilia auction.

SECRETARY'S REMARKS: The minutes from the previous meeting were not reviewed since they were published and distributed to all members in the August 2023 newsletter.

TREASURER'S REPORT: Bill Hilliard reported on the financials since the last meeting. Total revenue was \$326.32 and total expense of \$106.65 for the period, resulting in a net profit of \$219.67. At the time of the meeting, the final summer picnic receipts have not been processed, but is estimated that the club subsidized approximately \$150 for members to attend.

MEMBERSHIP REPORT: Franklin Gage announced that our 2023 membership is still at 170.

ACTIVITIES REPORT: The following activities were discussed:

Past Events:

- **48th Annual Metro Chapter Buick Club/Capitol City Rockets Oldsmobile Club All-GM Show, Aug 5, Ashburn, VA.** Congratulations to Harry Scott for winning Best of Show Pre-War with his '41 Cadillac Series 67 Imperial Sedan and Richard Sisson for winning Best of Show Stock with his recently reacquired '53 Buick Skylark. Richard Sills saw the Skylark at the Central Pennsylvania Auction in Lock Haven, PA in July and noticed its horn button with the engraving of "R.W. Sisson." Curious if the car was once owned by Richard Sisson, Richard Sills took a picture and sent it to Vince Taliano, who shared it with Richard Sisson at the recent Cars & Coffee in Burtonsville, MD (he confirmed that it was his car in the late 1960s-early 1970s). That's how the re-purchase of a car that Richard owned more than 50 years ago all started!
- **Potomac Region Summer Picnic, Aug 12, Owings, MD.** Over 25 members plus several friends and neighbors of Dan & JoJo Ruby attended the picnic at their home. Everyone was treated to a tasty bar-b-que lunch with all the trimmings, and leftovers for anyone who wanted them. Thanks to Dan & JoJo for their continued hospitality. Story and pictures will be in the September newsletter issue.

- **Third Annual CLC Northeast Inter-Regional Meet and Car Show, Aug 19-20, Hershey, PA.** The weather was outstanding for the annual favorite attended by multiple region members including Franklin Gage, Lynn Gardner, Chuck & Debbie Piel and Harry Scott. On Saturday, Richard Sills hosted a tour of the AACA Museum plus attendees got a special "Behind the Scenes" Tour of storage buildings, detail shop, etc. Afterwards, a dinner was held at Giotti's, a great local Italian restaurant. On Sunday, over 30 cars were on the grounds for the car show. The story and pictures will be in the September newsletter issue.

On the day before the show, Saturday, August 19, the CLC group was treated to a tour of the AACA Museum storage buildings and a guided tour of all three floors of the Museum. The glass-enclosed showroom as you enter the Museum featured a 1905 Cadillac and a 1933 LaSalle convertible, as well as a large display of Cadillac literature and memorabilia. These tours were followed by a festive dinner at Giotti's Italian Restaurant in nearby Linglestown.

At the car show, the award winners were as follows:

INDUSTRIAL EFFICIENCY BY BOB BAER

The two pictures below were taken on our recent road trip to the Henry Ford Museum in Dearborn, MI. The exhibit was on industrial efficiency, showing how a Cadillac bumper was mounted with components and fasteners differently from 1991 to 1992. Below is the information written on the display placard.

Sometimes Great Design is Well Concealed

Compare the number of components and fasteners in these Cadillac bumpers, one from 1991, the other from 1992. The radical reduction in parts stems from design-engineers researching materials, evaluating production steps, refining processes, and redesigning components. The engineering success, hidden behind already-styled bumpers, improved safety and reduced costs. The design process is similar today.

JAMAICAN ELDORADO BY STEVE CLARK

My Cotillion White 1972 Cadillac Eldorado fit the bill for the Island Spice Grill's (Jamaican restaurant in Edgewood, MD) 9th Anniversary Celebration on August 26, 2023. Their requirement was a white car and my Cadillac delivered! A lot of folks took pictures with the car. I had a great time also as they had delicious Jamaican food, drinks, music, and entertainment, as you can see from the pictures.

It's about time the car earned some money as opposed to costing money. I'm not complaining, just bragging.

INTRODUCING JOSH PINHO: NEW CADDIE CHRONICLE EDITOR BY JOSH PINHO

[Editor's Note: In November 2023, Vince Taliano will be celebrating his 20th anniversary as editor of the Caddie Chronicle. It will be his last anniversary because he will be stepping down at the end of the year. What started as a small regional newsletter has morphed into a world-wide publication with a circulation of approximately 1,000. That growth would not have been possible without the support and contributions of all its readers. Thanks to everyone who has made this journey possible. Best wishes to all!]

I'm originally from Medford, NJ and moved down to the Washington, DC area in 2011 for college. I moved to the Virginia side of the river shortly afterwards. By sheer luck, the apartment complex I moved into was right next to a parking garage that was popular with classic car collectors. One of those collectors was Randy Edison. I met his '59 Coupe Deville and his '68 Eldorado prior to meeting him.

A friend of mine and I would walk through occasionally and re-cover some of Randy's classics if their covers had blown off. One night walking back from my neighborhood Giant supermarket, I saw the '59 drive by and walked over to the garage and met

Randy. He told me about the CLC, the Potomac Region, and the upcoming 2015 **Magnificent Modifieds** fall car show at Capitol Cadillac in Greenbelt, MD. I joined the club and could not have felt more welcomed by its members and enjoyed an immediate sense of camaraderie.

In terms of cars, I've been very loyal to the Cadillac brand. My first car, which I was incredibly lucky to have, was a blue 2008 CTS which I owned until it developed unfortunate electrical issues. I traded that car in to get a 2009 DTS after I found one with the performance package I was searching for. My "fleet" expanded in 2014 when I acquired a 1992 Allanté which was an absolute electrical basket case when it arrived. I learned my lesson but was able to restore the car to win a First Place Award at the [2017 Grand National](#) in McLean, VA co-hosted by our Region. Since then, I've also acquired a 1993 Allante and a 1999 Fleetwood Limited that was formerly in service as Capitol Cadillac's courtesy shuttle.

After 20 years of Vince's newsletters, I have some very big shoes to fill, but I look forward to helping the club and taking over as editor, hopefully as seamlessly as possible.
